## BELLY BAND

*Tummy Shield for Pregnancy... Microwaves Bounce Right Off*

Where do you hold your cellphone? iPad? Laptop? *Right in front of your belly where it can best radiate your baby!* The Belly Band is a microwave (radiofrequency) tummy-front shield for expecting mothers who prefer little snugness around the belly and a looser fit. The pleated design makes it easy to adjust the amount of vertical coverage. It can discreetly cover unzipped pants as the belly grows. Laboratory tested for performance. Repels wi-fi, cellphone, microwave oven, CB/TV/FM and other RF radiation.

- Pleated and breathable for discreet, comfortable fit
- 95% Rayon, 5% Spandex, and RadiaShield® Fabric (a highly conductive Silver textile providing 99.9% RF shielding effectiveness)
- Four sizes (small to x-large)
- Light-weight and machine washable for everyday use

*Instructions:* Wear under or over clothes throughout your pregnancy, with larger side fully covering your belly.

**Black only.** Makes a great gift!

## RADIASHIELD® BOXER BRIEFS

*Don't Let Radiation Affect Sperm Count!*

The prestigious **Cleveland Clinic** and the **Journal of Andrology** have both reported dramatic reduction in sperm count and quality

in men whose reproductive area is exposed to cell phone radiation. Carrying your phone in your front pocket puts it right in the sensitive kill zone. RadiaShield® Boxer Briefs reduce radiation exposure to reproductive organs. High level microwave protection is built into the codpiece and back. Luxurious Modal/Spandex plus RadiaShield® Fabric provides stretchy comfort for all day wear. Anti-bacterial, anti-odor, light-weight, breathable, and machine washable too! Specify size when ordering: s, m, L, xL. **RadiaShield® Boxer Briefs:**
