

SHIELDING GARMENTS

LAB COAT *Shielding with Style*

Who wants to look good (normal even!) while feeling great with this shielded lab coat? Uses specially woven fabric containing corrosion resistant, micro-fine stainless steel fibers and provides >97% RF shielding! Long sleeves, knee length, single weight (no lining). 60% cotton, 10% polyester, 30% stainless steel fibers. Great for work, home, or going around town.

Button front, solid back, with a pencil pocket on the left upper arm. Medium blue color. Machine washable, hang dry. Can be ironed. Sizes run small, see sizing chart. (Inches)

Size	Arm	Chest	Length	Cat. #	Price
L	22	46	36	R367-L	\$195.00

WOMEN'S JACKET

Lightweight, Stylish, Washable

Like a cross between a light raincoat and a lab coat, this fashionable shielding jacket is great for protecting the body and arms from radiofrequency radiation (think: microwave, cell tower, wifi, cordless phones, etc).

Button front, 2 large pockets, belt, and fashion collar. **Charcoal gray.** 30% stainless steel fibers, 60% cotton, and 10% polyester and washable. 20db attenuation. Select size.

Women's Jacket (Cat. #R365) \$195.95
