

SHIELDING GARMENTS

BALACLAVA SHIELD

Head and Neck Protection

Very comfortable radiofrequency shielding for the head and thyroid region. Medical grade, silver coated stretchy fabric (93% Silverized nylon, 7% LYCRA®) provides very good microwave shielding. Washable and very soft. Can be worn many ways: covering nose/mouth or not. Covering neck or not. Size of eye opening can be adjusted to your preference. Lightweight, stretchy, anti-bacterial fabric is the key. Shielding performance decreases over time. One size fits all. Made in USA. Dark gray color.

(Cat. #R219) \$59.95

RF SHIELDED CAP

Smart & Subtle

Protect your brain from RF (radio-frequency) pollution with this handsome baseball style hat. Specially designed to shield the head from frequencies from below AM through microwave, including cellphone frequencies. Lined with sophisticated Staticot

fabric woven from Poly/Cotton with an ultra-thin pure Stainless Steel thread. This gives this unique fabric a truly comfortable, natural feel and durability and washability, but with exceptional reflective characteristics. Research links RF radiation with behavioral and cellular disturbances. Many people can actually sense the differences in the levels of "mind noise" from RF radiation. Provide your brain a quiet place without interference to your mental processes from RF radiation. Hand washable. Adjustment strap means one size fits all. Union made in USA. **Choose color: Tan, Blue, Red, Black**

(Cat. #R210) \$29.95

RADIATION BLOCKING HEADBAND

Using 99.9% Pure Silver, Comfortable Stretch

The perfect way to shield your ears. Comfortable enough to sleep in, and stylish enough to wear in public. High shielding

performance silver stretch fabric gives excellent radiofrequency and microwave shielding. Made of double thickness 2" wide 93% Silverized nylon, 7% LYCRA®, and tested for 50 washings with no deterioration in performance. Ideal for cellphone shielding or any other activity when you need to shield your ears and forehead. Thin enough to fit under a hat or helmet. Durable and unwrinkle-able, washable too (no bleach). Silver provides anti-bacterial properties and suppresses odor. Folds small for easy transport. Pretty Silver color.

(Cat. #R218) \$24.95

BRAIN COAT™

RF Shielding for Your Mind

Stretchy Silver-coated nylon skull cap with ear flaps is light weight and breathes nicely. Comfortable enough to wear year-round while sleeping, thin enough to be worn under a conventional hat. Stretchy, so it conforms to your head.

Microwave Shielding Effect: >35dB at 1-10 GHz. Surface resistivity: <0.5 Ohm/sq. Sound quality is not affected. Ear flaps can be tucked under to make a beanie shape if you prefer. Shielding performance decreases over time. Ok, it's not a Royal wedding "Fascinator" but if you prefer comfortable, practical, effective RF shielding over fashion, this is the hat for you.

Brain Coat (Cat. #R221) \$49.95
