

SHIELDING GARMENTS

SKULL CAP

*RF Shielding Spandex
Dome Cap or Hat Liner*

Here's a great item to wear hidden under a wig or standard hat to shield your brain from radio-frequency (micro-wave) radiation.

Attractive enough to wear alone as well. Fully elastic for a comfortable form fit. Provides ~35 dB shielding

up to 10 GHz and beyond. Cranium cover slips on in an instant for all day or all night protection. Can be pulled down to cover part of the ear, or leave the ears completely exposed. The perfect RF defense cap for your brain... a whole new kind of *mental block!* Suitable for both men and women.

Skull Cap (Cat. #Q217) \$54.95

eyeShield™

A Vacation For Your Eyes

Give your eyes a rest with the luxurious benefits of pure Silver. Eye-Shield™ is a new style of blindfold, made with microwave blocking Stretch Conductive Fabric. Feel the cool comfort of Silver against your

hot eyelids as you relax in the darkness of your inner world. Experience what it feels like to block the RF radiation from reaching your eyes. Great for a quick nap, plane trips, or all night long.

Soft and padded, contours nicely to your face with generous notch for maximum nose comfort. Single elastic strap, fits all head sizes. Hand washable.

eyeShield™ (Cat. #Q222) ... \$28.95

RADIO WRAP™

Shields Head and Back of Neck

This shielded headdress can be worn several ways to provide coverage to the various parts of the head and neck. Very soft and comfortable against the skin, even for prolonged use. Suitable for daytime wear or while sleeping. Very thin fabric

with a slight stretch, it can be worn under another standard style hat or scarf. Includes a long drape for the back of the neck which can be tucked inside the collar of your shirt, or left exposed. Think of it as a "ray du-rag". Provides 20 dB of shielding performance for RF/microwave radiation.

Light gray color. Suitable for both men and women.

Radio Wrap (Cat. #Q228) \$59.95
