

FABRIC CONNECTORS & GROUNDS

GROUNING CORDS:

Plug To Gator Ground Cord *The Original Ground Cord*

This has to be the easiest way to connect to ground. Whether you want to ground an Earthing mat, conductive cloth, drapes, shielding

garment or anything else, simply clip the object with the alligator clip and plug the other end into a grounded outlet. Molded 3-prong plug (N. American) one end, alligator clip on other. Only the round ground lug is connected to the wire. The two flat blades are there simply to help hold the plug in the socket. 12 feet long. 18 ga stranded wire. No resistor.

(Cat. #R295-12) \$8.95

Gator To Gator

Insulated copper wire with standard alligator clips on each end. Connect it to computer monitor shields, conductive fabrics or plastics, or conductive painted surfaces to ground. Also great as an extension for grounding wrist straps.

18-inch (Cat. #R295-18) \$2.00
60-inch (Cat. #R295) \$8.95

Plug To Ring Terminal

Molded 3-prong plug one end and ring terminal on other. 6 feet long.

(#R295-3-Ring) . \$8.95

IN LINE FUSE HOLDER

Adds a Measure of Safety

To add a measure of safety to any cord in the unlikely event of a lightning strike or voltage spike traveling on your electrical system, you can insert this handy fuse anywhere along the length of the wire. Set includes fuse holder, two 0.10 Amp fuses (one is a spare), and two wire nuts.

(Cat. #R286) \$4.95

Replacement Fuses, pack of 5:

(Cat. #R287) \$4.95

Banana To Gator Cord

You get 3 cords (1 each: red, black, and yellow) with banana plugs on one end and alligator clips on the other. Use them as ground cords, in meters, test equipment, etc. 36" long.

(Cat. #R298-C) \$3.79

Gator To Clamp

Alligator clip on one end, large gator on other end (great for grounding to pipes ≤1" diameter). 6 feet long.

(Cat. #R295-gc) \$6.00

GROUND PLUG ADAPTER

Makes Grounding to Wall Sockets Easier

Banana plugs are too small to fit well in a wall socket ground. This handy adapter converts a

standard outlet into a groundable point for wrist straps or other grounding/Earthing hardware. Simply plug it in & insert your banana plug into the back end. Accepts standard banana plugs (0.162" - 0.164" ± 0.002" diameter).

Plug Adapter (Cat. #R235) .. \$9.95
